IBM Alumni Club Membership Application

Many of us have stopped working for IBM without being aware of the IBM Alumni Club. It is organized under the San Jose IBM Club. We now have over 1600 members in over 30 states.

We have a number of programs throughout the year, as you can see from our newsletter. The Club provides a line of contact with old friends. You will meet them at the annual picnic, bowling, golfing, camping, hiking, on day trips and on travel tours.

As someone who once worked for IBM, you are invited to become a member. If you join, your spouse or partner is a member as well. The cost is $25 for life.

You can get more information at our website: **ibmsjrc.org**

If you wish to join, fill out the form below, and send it with your check to the address below.

We encourage you to view the monthly newsletter on our website to save reproduction and mailing costs. We will send you a link to the current newsletter each month. You may also go to the web site at any time to view the current newsletter and other items of interest to club members. There is no login required.

A newsletter paper copy (every other month) is available for $10 per year.
