

## *Past Commanders' Club Outpost 13*

**President  
Gene Fanucchi**

**Secretary  
Jerry Redford**

Greetings Past Commanders,  
At our last meeting in March it was agreed to hold a meeting as such:

**SATURDAY, MAY 11, 2013  
Lunch 11:30 AM  
American Legion Post 564  
2120 Walsh Ave.  
Santa Clara**

It has been some time since seeing many of you, and we look forward to renewing old acquaintances.

You have all been unit Commanders of the American Legion. You all know the difficulties of membership, and development of future leaders in our Posts; and we all know that we have some responsibility to give guidance and mentoring to our young leaders.

The mission of our Past Commander Club is several fold: have fun, mentor, and teach. Let us pick up where we left off some months ago. Let's have some fun and then address the others. Our Legion needs us.

Please join with us, and bring a guest (wife, a significant other, travel companion, another past Commander). After lunch we will have a meeting to work toward having a stronger organization by discussion of membership recruitment and reinstatement, and programs. These subjects will greatly benefit our Outpost.

Our usual procedure is for the OP to provide an entrée and side dishes, and for members to provide a desert or bring an article for a raffle.

Look forward to seeing as many of you as possible. **And if you would either RSVP to Gene's "E" address or give a quick telephone call to let him know you will be there.** Thanks...
