

IBM PC Club June 2021 Meeting Notes

Our ZOOM meeting was all about members sharing stuff.

Recommended Books:

Author: Andy Weir Books: "The Martian" his first book (2014), also a movie (2015)
"Project Hail Mary" his third book (2021)

Lisa Genova Book: "Remember: The Science of Memory and the Art of Forgetting" (2021)
Ted Talk: 22 minutes

https://www.ted.com/talks/lisa_genova_how_your_memory_works_and_why_forgetting_is_totally_ok

Lulu Miller Book: "Why Fish Don't Exist" (2020)

Podcasts:

www.twit.tv

Leo Laporte podcast network – free tech podcasts with ads –
become a ClubTWIT member (\$7/month) and the ads vanish
"Security Now" with Steve Gibson is one that several of our members listen to.

Screen Savers:

Steve Gibson of Security Now suggests a group of screen savers.

www.reallyslick.com/screensavers

Steve likes the one called "Helios" with the following setup:
