REGISTRATION NOT REQUIRED – MUTUAL BENEFIT CORPORATION

Based on the information you provided, we have determined that the captioned organization is not subject to the registration and reporting provisions of the Supervision of Trustees and Fundraisers for Charitable Purposes Act (Government Code section 12580, et seq.) because it is organized and operated primarily as a **mutual benefit corporation** that does not solicit or hold assets for charitable purposes.

If the organization solicits or receives charitable assets in the future, it will be required to register and report annually. **Do not submit registration renewal forms (e.g. Form RRF-1) and copies of the organization's Form 990 filed with IRS to the Registry of Charities and Fundraisers unless the organization's actions or status has changed in a way that requires registration, such as soliciting or receiving charitable assets.**

This determination only affects the organization's responsibility to register and report to the Attorney General's Registry of Charities and Fundraisers and does not change the organization's reporting obligations with any other government agency, including the Franchise Tax Board, Internal Revenue Service and the California Secretary of State. For additional information, please review the *Attorney General's Guide for Charities* posted on **oag.ca.gov/charities**

Please note: All mutual benefit corporations are subject to Attorney General oversight pursuant to the California Nonprofit Mutual Benefit Corporation Law (Corporations Code section 7110 et seq.). For a listing of transactions that must be submitted to the Attorney General under this Law, please refer to the guide entitled "Nonprofit Transactions Requiring Notice or Attorney General Approval," available on our website: **oag.ca.gov/charities/publications**

Please visit **oag.ca.gov/charities** at least annually for the latest forms, instructions, guides, answers to frequently asked questions, and Registry contacts.

Sincerely,

Registry of Charities and Fundraisers
