AMERICAN LEGION

The American Legion was
chartered and incorporated by
Congress in 1919 as a patriotic
veterans organization devoted to
mutual helpfulness. It is the
nation's largest wartime veteran's
service organization, committed
to the sponsorship of wholesome
programs in our communities,
advocating patriotism and honor,
promoting strong national
security, and continued devotion
to our fellow service members
and veterans.

AMERICAN LEGION RIDERS

Riders in all states have escorted
military units returning home from
combat tours overseas,
conducted massive cross-country
fundraising events for wounded
warriors from all services, and
have escorted fallen veterans to
their final place of rest.
