President's Chat

After nearly three decades of a symbiotic relationship with the IBM Corporation, we are now a stand-alone organization. At IBM's insistence we have obtained a nonprofit status, a tax identification number and will not use any copyrighted font. Additionally, we will asterisk IBM and footnote (that we are not affiliated with the IBM Company) in our publications. We will no longer have access to any IBM facilities, which will impact our travel committee. Vice President Bob Martinez and his team are working on obtaining a solution to this situation.

On a happier note, planning for the Annual Picnic is complete and we hope all of you will make the effort to join us for an inexpensive BBQ lunch and games. Sign up form is below.

Looking forward to seeing you at the picnic! Happy Spring!
George W. Walker

OBERAMMERGAU – The Fall of 2020

This trip is being advertised now because it sells out quickly!

This is the story of how a plague swept across Europe in the 1600's. In desperation, the town council made a solemn vow that if God would stop the plague, they would present a play depicting the life and suffering of Christ for the duration of their existence. So, it continues every 10 years. The trip includes Geneva, Heidelberg, Worms, Rhineland, plus 7 other stops, then Oberammergau and Munich. I'm starting a list of potential participants. The exact dates and prices have not been announced, but interest is always high.
