September, 2006

Volume XXI

Number 9

PRESIDENT'S CHAT

People, can we talk? The Travel Committee has recently received questions about the trips being sold-out and have asked me to respond. The Tour Host can publish the trip one year before the departure date and begin taking reservations. Most trips will accommodate 40-45 participants, and can be changed at the discretion of the Tour Host. If the trip fills, the Tour Host will start a waiting list because 'stuff happens' and sign-ups do cancel. Sometimes, the day trips are published as they come available, sometimes only 3-4 months ahead. And these usually fill very quickly. So, the bottom line is: when you think you might want to go on a trip, let the tour host know right away. I speak from experience when I say 'he who hesitates, just might miss the boat!'

As you know, Hitachi has allowed the club members to continue parking on plant site when we go on a trip. After September 1, the parking lots will no longer be available to our members. However, our IBM Club representative, Frank Vitale, has arranged for us to leave our cars at SVL on Bailey Road. Your tour host can give you complete directions if you have a trip going before the next Newsletter is out.

For the rest of 2006, the Executive Board meetings will be in the B055 cafeteria alcove. The meetings will begin at 10:00 AM. All are welcome and we will have more room there for visitors.

2006 Annual Meeting, Tuesday, October 17, 2:00 pm, B055 Cafeteria, Cottle Road

They must be received back for counting no less than 5 days before the meeting. The candidate receiving the most votes for each office is elected to that office.

Sunshine Report

Ray Orr was to have back surgery, but they are going try shots instead to see if that will help him.

Art Dill just had back surgery and is running around. I couldn't get into a car for a month, and here he is nearly as active as usual.

Gino Bottoni was in the hospital for a biopsy for a tumor on his bladder. They found it was stage 3 cancer. He will start his treatments soon.

The other day, I was at the bowling alley, and behold, there was **June Berg**, bowling. I couldn't believe my eyes. One day, she is so sick and the next day she is bowling. What a woman!

To all shut-ins, and we know there are more of you out there, we wish you all the best. We want you all to get well and stay that way. Wouldn't it be wonderful if we all were well? (the poor doctors would be broke!)

Please, all of you take care, and get well soon.

**Topsy Thompson,
the Sunshine Lady!!

Sunny Mediterranean Getaway

March 27- April 5, 2007

Tour Presentation: September 23, 2006

Escape those raw March winds and enjoy mainland Greece, a few Greek Islands, and the remarkable excavations at Ephesus, Turkey. This reasonably priced ten day trip is a short escape to a historic area that combines seeing Athens, some of its famous surroundings, and four days cruising and visiting the Greek Islands. The cruise ship is an older, 1500 plus passenger vessel that was refurbished in 1999 and is reputed to be very comfortable.

In Athens you will see the Temple of Zeus, the Royal Palace, the Tomb of the Unknown Soldier, the Olympic Stadium and tour the Acropolis and the Parthenon, capped by an authentic Greek evening. Shop near the hotel or at the Plaka, or consider an optional visit to the National Archeological Museum. Visit the Corinth Canal and see Mycenae, site of the tomb of Agamemnon, the King of Sparta and the Lion's Gate where the Trojan War took place.

Your cruise will take you to the islands of Mykonos, Patmos, Rhodes, Crete, Santorini and the Turkish port of Kudadasi. They are wonderful ports of call for sightseeing and relaxing.

Basic price for this adventure is \$ 2199, which includes insurance, round trip transportation, all transfers and luggage handling between airports and hotels, taxes and tips for some services. Superior or Deluxe outside cabins, port taxes, airport departure taxes, current fuel charges, shore excursions and a visa fee for Turkey are extra.

Horse Racing at Golden Gate Fields October 9, 2006

It's Columbus Day at the races and it will be a special day at the track, with some added features to celebrate the holiday. On a nice fall day there is nothing prettier than watching beautiful thoroughbred horses galloping around the track with their colorfully clad jockeys urging them on.

Golden Gate Fields is a very attractive facility in Albany on the edge of SF bay. They have a very nice buffet and a clubhouse where you can watch the races from your table, watch them on a video screen or go down to track level and do your own handicapping.

Gather some friends and relatives and make a day of it. The bus will leave at 10:30 AM. Cost is \$46.50 and it is hard to find a more reasonably priced day trip.

Hikes

Angel Island Hike

Friday, September 22, 2006, 9:45 AM

September's hike takes us to scenic Angel Island. We will be hiking on the Perimeter Trail, which may just be the most spectacular easy hike in the entire Bay Area. The trail is paved and nearly level (one hill), and the 360 degree views alone are enough to make the journey. Distance is 5 miles.

Getting there is half the fun. We will be taking the ferry from Tiburon. Once we dock at Ayala Cove, we'll leave the crowds at the picnic area and start our trek on Perimeter Trail. As we walk, we'll have only one major hill to face on the southeast side of the island, but the views will more than compensate. The panorama changes with every few steps. The perspective is so different from the center of San Francisco Bay than it is from its edges. (We are hoping for a fog-free day...) There are several historic side trips along the trail which we may explore.

To get to Tiburon, head north towards San Francisco on highway 280 north, heading across the Golden Gate Bridge. Once you cross the bridge, you'll take the Tiburon Blvd exit, turn right, and follow Tiburon Blvd 4 miles into downtown Tiburon. Turn right on Main St. The ferry is located on the left at 21 Main St.

There are several parking lots in Tiburon. The closer you get to the ferry on Main Street, the more expensive the parking is. The lot across the street from the ferry is \$10 for the day, but the ferry is only a 2 minute walk. For more information on parking lots, go to www.angelislandferry.com and click on "directions".

All this beauty comes at a price. The ferry is \$10.25 round trip (cash only, no credit cards), the Golden Gate Bridge toll is \$5.00, and parking will be anywhere from \$3 to \$10 per vehicle, depending on where you park.

We will be taking the 10AM ferry (try to arrive at the dock with your tickets by 9:45) over to the island and returning on the 3 PM ferry. Bring your lunch and water - we will stop somewhere along the trail to eat. Be prepared for changeable weather - bring an extra jacket just in case. Carpooling is encouraged - call us at (408) 247-6769 if you are interested in carpooling. Leave your name and number - we will help to arrange carpool groups.

Rancho San Antonio Hike

Friday, October 20, 10:00 AM

We had originally planned to hike at a new location for us, Loch Lomond in the Santa Cruz mountains. However when it came time to scout the hike we discovered that the preserve closes for the season in September. We will try to do Loch Lomond next year. So we decided to repeat one of our local hikes. We will go back to Rancho San Antonio Open Space Preserve, in the hills above Cupertino. We will be covering about 7 miles, but the route is moderate with only a couple of miles uphill. The uphill portion follows Wildcat Canyon Trail, which is woody and shaded. All the trails are wide and well maintained. At the top of the hill we meet up with High Meadow Trail where there are some great views, and finish up on the Rogue Valley Trail. There is an abundance of wildlife at Rancho, and we may be lucky enough to spot some of the rabbits, deer, quail, and wild turkeys that make their homes here.

After about 6 miles into the hike, we will be stopping for lunch at Deer Hollow Farm. You may want to spend some extra time here exploring this working farm. Among its residents are pigs, goats, sheep, and chickens.

To get to Rancho San Antonio, take Highway 280 North to the Foothill Expressway exit. Turn left at the light. Go under the freeway, then turn right on Cristo Rey Drive and continue for about 1 mile. The entrance is on the left. There are several parking lots and we will be meeting at the last lot (the one with rest rooms). This is a popular park, and sometimes parking is a challenge. You may have to park at one of the other lots and walk down to the meeting point.

People wanting to car pool, meet at the Camden Park & Ride (Camden & Hwy 85) at 9:00.. Don't forget lunch and water.

San Jose State University Campus Tour

Thursday, September 21, 2006, 10:00 AM

You paid for it...and you sent your kids there. Might as well see what it's all about. We'll be taking a one-hour tour of the campus of San Jose State University, in downtown San Jose. Funny how things so close never get visited—leave that for the tourists. We have our own ivy-covered walls on the Tower Hall, oldest building on campus—1910—and a California State Landmark. Other buildings of interest include the Morris Dailey Auditorium, Washington Square Hall, etc. The campus is beautiful, especially in the autumn. We'll end our one-mile tour at the Food Court in the Student Union. You may wish to buy lunch there as we end the tour.

Because it is so close to home, we will not ride-pool. Instead, meet at the SJSU Welcome Center in the lobby of the new Martin Luther King Library (Fourth Street and San Fernando) at 10:00 AM. By the way, this library is a part of the SJSU campus as well as being a part of the City of San Jose. After the tour, you may wish to make an extended tour of the library itself. Free parking is available at school garages (7th and San Salvador St. or 10th & San Fernando St). If you choose to drive, you may get a parking permit from Fred. Call him. You may also wish to take the Light Rail.

Please call Fred for reservations.

IBM Club Web Site for Retirees

In the past, in order to access the IBM Club web site, you had to be an IBM employee. Retirees could not access the site. Recently, IBM has made an IBM Club web site available for IBM retirees. It is a global web site containing information about IBM Clubs all over the world.

In order to access this web site, you must first register. Then you can subscribe to whatever IBM Club is closest to where you live or to multiple IBM Clubs. Our local club is the Silicon Valley IBM Club.

The address of the web site: **www.ibm.com/ibm/ibmclub**

Once you get there you will need to provide an e-mail address and provide a password in order to register. You must also specify which IBM Club you are interested in.

Contact: **Walt Cole, 972-1178, opawalt@pacbell.net**

Swap 'N' Shop

Do you remember the old Swap 'N' Shop board in the cafeteria? You could submit a 3x5 card and it would be posted describing the things you wanted to sell or buy. Well, it is now online. IBM employees and retirees can participate. On the first day, more than 100 items were posted and 10 times that number of employees browsed through the site. **www.employeeswapshop.com/ibmer**

On Demand Community

Register and learn about volunteer opportunities and track volunteer hours. By logging in and tracking your volunteer hours, you have the opportunity to get a Community Grant which may help support the program you are working with -- \$1000 cash or up to \$2500 in equipment.

To register or sign in to the On Demand Community web site, just google "**ondemandcommunity**," and click on the first result.

Discount Web Site for IBM Retirees

There is a new web site that IBM retirees can use to obtain discounts on a wide variety of products and services from many companies. Included are discounts on a wide variety of IBM PCs. But everything from home electronics to auto insurance is offered. If you are interested, go to the following URL.

Adopt-A-Highway

Thursday, August 10, 2006

Shirley Veal debuted as a litter warrior princess. She had orientation & safety training some time back. This was her first litter skirmish because of rain cancellations and traveling (some one has to be a tourist and research litter elsewhere). Her impression: "it's awfully trashy out there!" Some of her trash included a handwritten list of chords for the G string (no musical instrument noted), song lyrics, a big silk Philodendron leaf, one used ear plug, a CD and a bunch of "not so lucky" lottery tickets.

Multi tasking (or roadside Social Work): On the Almaden off ramp, Phyliss Chai found a man holding a sign "will work for food." He was a former construction worker who had shattered his elbow. Two surgeries later (one at Good Sam and the last at Valley Med) he was asking for help. She advised him to go to the Second Harvest Food Bank, where he could work, and they would give him groceries. He could also go to Sacred Heart Center for clothing. She continued her litter collecting later finding an unopened can of Vienna sausage, (is this providence?). She walked back to give it to him and he was gone. He had a bike.

Phyliss sent us her thoughts: "About our Highway 85 clean-up today...feedback from #5 group...about the fellow who was "Down on My Luck"...He said to me almost as we parted that, "It's hard to get up (in the morning, I gathered)"...He added that he's "on so much medication" (probably for depression)...Seeing him just reminded me that so many people are just a "paycheck away" from being in his position or homeless. He said that he once (before his accident) "made a good living", working in construction...It was a reminder to me to be always be grateful, and to do what I can to help lighten the load of people who are struggling to "keep their heads above water".

Traffic control: Pat Motta found a hand held stop sign with slow on the reverse side. Will return it to Caltrans when we pick up supplies.

Mysteries: did someone lose their spare? Lying in the weeds was a big perfect SUV wheel with a new tire. Tom Clarke found a padlock, a few feet away Bob Schneider found keys, they fit the padlock but didn't unlock it.

Entertainment: Bob Ramirez found a rose and presented it to us while singing "Paper Roses." He then produced an automobile side mirror and asked "mirror, mirror, on the wall who is the fairest of us all?" We all looked in the mirror...well you know the rest.

Titillating question: Fred Groppuso found a sexy black lace bra torn in half in the VTA parking lot. Do people still streak?

Money: A first!!! Phyliss Chai found a dime and a nickel, in pristine condition! Bob Schneider found a very tired 39 cents, Jose Castaneda - quarter & a peso, Pat Falkowski - dollar bill and a dime, Josie Supencheck - 78 cents, Shirley Veal - 7 cents, Pat Motta - a penny, Bob Price 26 cents, Ruth Price \$1.10, and Mel Olsen 12 cents. Total found, \$4.24 and one peso, and many unlucky lottery tickets. We spent \$10.14 for ice cold melon from our slush fund for our tailgate thereby creating a deficit day but a thirst quenching finale.

Back to normal: Howard Hanson found a baseball that he called an orphan 'cause it was in the middle of a puddle instead of the usual place where the baseballs hang out.

Adoptions: Homeless bear - Pat Falkowski bonded to a cute cuddly pink happy face bear. She took it home to give it a bath, a make over, and a family.

Stats: 20 volunteers 33 bags - totaling 1822 bags

Schedule: meet in VTA Parking lot 8:45 AM
