PRESIDENT'S CHAT

Hi, Folks --

Hope you all enjoyed a very Happy Thanksgiving. In just a few days the club will be holding its annual Holiday Dinner Dance. If it's anything like last year's, you wouldn't want to miss it. There will be lots of prizes, dancing and celebrating. I hope to see you there.

There will be no hard copy of the newsletter in January, but it will be available on the club web site at www.sjpc.org/sjrc. If you don't have a home computer most libraries will let you use one of theirs at no charge. Remember it is the end of the year so don't forget to file your SHAP forms, if you are eligible.

Last but not least, enjoy the holidays and have a very Happy New Year.

Retirement/QC Club Pasta Fest

Saturday, March 22, 2008

Once again we are pleased to have our annual Pasta Fest at the Almaden Research Lab. No need to change a winning menu, so you will have your choice of several pastas, salad, garlic bread, ice cream and other desserts, wine, soft drinks and coffee. Social hour starts at 2:00 PM, with food served at 3:00 PM.

There are usually around 200 retirees and Quarter Century members at these affairs, and it is a very heartening experience to see the smiling faces as old friends and former workmates get reacquainted with each other. It is a purely social gathering with no program, so conversation and fellowship, with time out for some very well prepared and presented food, are the order of the day.

To sign up, use the form on page 13 and mail to Terry Milinic', who has been kind enough to handle this duty for several years. We are able to hold to last year's price of \$17.50 and checks will not be cashed until March 15, which is the final registration date.

Hannegan's will be catering again and serving their outstanding selection of BBQ meats with all the trimmings. The day will start at 10:30 AM, lunch at noon and games starting at 1:30 PM.

Sunshine Report

Leo Balistreri had a stroke in June. He tells me he is doing OK now. He is getting stronger all the time.

Jim Viallet went into the hospital to have rotator cuff surgery. But while they couldn't fix the shoulder rotator cuff, they were able to fix the bicep cuff. He is a candidate for shoulder replacement. He is now doing everything he can to keep that shoulder loose. He goes twice a week for a work out. He tells me he is OK.

I haven't heard from any of the rest of you, so I guess you are well. I guess "no news is good news." So you all stay well, and I will be seeing you soon.

Stay warm and out of this cold weather.

Do take care,

Topsy Thompson,
the Sunshine Lady!!

Travel Trips

England/Scotland

August 28 - September 7, 2008

England and Scotland are wonderful to visit but pricey because of the value of the dollar. So we are trying to maximize enjoyment of the trip and get the best bang for the buck. Many travelers tell us they dislike long bus rides and changing hotels regularly. We will use a hub and spoke arrangement which concentrates on major cities, yields longer stays in nice hotels and lets you see the areas close by.

Our trip goes into London for 3 plus days, we fly to Inverness on day 5 and go to Edinburgh for the rest of the trip. One could easily spend weeks in London and Edinburgh, so there is no shortage of great things to see and experience.

In London we tour Westminster Abbey and its chapels, the Tower of London, catch the changing of the guard at Buckingham Palace, tour Hampton Court, spend a half day sightseeing and then have free time to see historic sites such as St. Paul's Cathedral, Victoria and Albert Museum, the British Museum, Parliament, and the Shakespeare theater.

Our visit to Inverness allows us to see Fort Augustus, cruise Loch Ness looking for Nessie, and visit the Culloden Visitor Centre and Battleground. On our way to Edinburgh we visit Stirling Castle, Argyll's Lodging, the National Wallace Monument and the Bannockburn Heritage Centre.

Edinburgh is a lovely ancient city with Edinburgh Castle towering above it. We tour the castle and then go down the Royal Mile to Holyrood Palace. The Royal Mile is replete with historic structures, St. Giles Cathedral, specialty shops and pubs. We will visit Glasgow Cathedral and the tall ship in Glasgow harbor, then take a short cruise on Loch Lomond. We will have free time to see the rest of historic Edinburgh and its surrounding environs, even St. Andrews if we have any ardent golfers. Our trip concludes with a Scottish night where you acquire your brogue for the trip home.

The trip is priced at \$2970 per person, with the usual add ons for fuel surcharges, airport departure taxes and some tips to drivers. A tour manager will be with us all the way.

The trip activity rating is 3. For further information call **George or Isobel Nale at 408 779 4275**, or email us at gr4na@aol.com

Mediterranean Cruise

Athens to Rome

Stopping in the Holy Lands

October 22 - November 4, 2008

Take advantage of this opportunity to visit some of the most beautiful and exotic places on the Mediterranean, as well as the holy cities of **Galilee**, **Nazareth** and **Jerusalem**. This trip, on the intimate **Pacific Princess** with only 650 passengers and 70% balconies, allows the comfort of a cruise and the flexibility of visiting some of the world's most important historical venues. The timing of this cruise gives us the best weather and fewer crowds.

Our adventure begins in **Athens**, home of 7,000 years of Greek culture and history, and continues to beautiful **Santorini**, one of the most beautiful of all the Greek islands. From atop the rim of an ancient volcanic caldera, the delightful towns of the island offer stunning views of the Aegean in every direction! The next stop is the island of **Patmos**, famous for the exiled years of St. John and believed to be the spot where the book of Revelation was written. We then visit **Kusadasi, Turkey**, and the ancient city of **Ephesus**. This is the largest ancient archeological site in the world, dating from the second century.

After a day of sailing on the beautiful Mediterranean Sea, we arrive in the port of **Haifa, Israel**, and from there we'll explore **Galilee** and **Nazareth**, two of the most important cities in Christian history. This tour is included in the price of the trip. The next day we will visit the historical city of **Jerusalem** for 13 hours, giving us ample time for touring. There are a number of tours that you can choose from.

Our next stop is **Port Said, Egypt**, which itself is worthy of a day of exploration, or we can visit **Giza** and one of the Wonders of the World, the **Pyramids!** Again, we will spend enough time in port to cover much of the ancient history of this fascinating area. The next day we can go exploring while docked in the ancient port of **Alexandria, Egypt**, at the mouth of the mighty Nile River.

The next two days are relaxing ones on the Pacific Princess as we make our way toward the beautiful island of **Capri, Italy**. There will be lots of time for a walk around Sorrento and maybe some pasta and wine! We disembark in beautiful, eternal **Rome**. Extensions are possible so that all of the art and culture of this wonderful city can be enjoyed.

Cost will vary by cabin choice: interior double \$4400 to balcony suites at \$4948 inclusive of air fare. However, if you have air mileage this could be a great time to use it to bring the price down considerably. Included in the price are all transfers, taxes and insurance.

Extensions: either pre-trip in Athens or post-trip in Rome can be arranged.

George or Carole Walker at 408 268 7623.**

Safari West

Friday, May 2, 2008

Trip Activity Rating – 3

Journey to Northern California's Wine Country where oak trees with glittering leaves dot green rolling hills, and where a red barn faces a field fringed with dainty wildflowers in every color. But, what is that giraffe doing? Are those – ostriches over there? What's that goat-like critter with the weird, twisted horns... well, take a deep breath...you're in Sonoma County's own Serengeti, Safari West. Upon arrival we will board the African Queen, a 25-foot long trailer adapted with benches and a thatched grass roof for a journey through their savannah grasslands and breathtaking view of Watusi Lake, and then it's time to explore on foot! The second half of the tour allows us to stroll through the inner compound, where we'll encounter giraffes, primates, and birds in their open-air aviary! After the tour we'll have a bountiful, hosted lunch consisting of BBQ Chicken, Potato Salad, Pork & Beans, Green Salad, French Bread, Dessert, and Iced Tea or Coffee. On our way back to the Bay Area we will take a walk down memory lane and remember good things and good times. We all have pleasant and vivid memories of the places where we went as children to get our favorite candy, whether it was the corner store or Grandma's candy dish. Powell's Sweet Shoppes are a nostalgic re-creation of that classic and bygone era and has been featured on the regional TV shows. Powell's Sweet Shoppe is the Smithsonian of candy stores. We will have time to reminisce and shop.

Behind the Scenes

Tuesdays, July 8 and 22, 2008

Trip Activity rating-2

The day will begin at KQED Studios in San Francisco for a "Behind-The-Scenes Tour" of their FM facility, working studio, master control room & TV studios with a docent guide. KQED is San Francisco's primary public broadcasting outlet. First taking to the airwaves 50 years ago to broadcast "educational tv," KQED television and radio have always been flagships of the national public broadcasting networks. Next stop, Caesar's Italian Restaurant for a hosted lunch. Dine at an old-fashioned restaurant "where the Italians eat" in North Beach. Please select one of the following entrée choices: Veal Parmigiana; Roast Beef Au Jus; or Combination Seafood Plate (Scallops, Prawns and Filet of Sole). All entrées include Salad, Pasta of the Day, Spumoni Ice Cream for dessert, and Coffee. After lunch, visit the Boudin Bakery & Museum. Discover Boudin's culinary history and learn about its origin in 1849. Today, 150 years later, they continue to bring you a culinary collection that represents the Bay Area's best. Learn the art & science behind "the original San Francisco sourdough." Get an up-close "baker's view" through Boudin's 30-foot observation window and a glass-walled catwalk at this demonstration bakery. Enjoy sampling the freshly baked bread, hot right out of the oven. Before heading home, we will end our day with a no-host dessert at Mel's Drive-in on Geary (the same Mel's Diner used in the film, "Guess Who's Coming to Dinner.")

Tour includes deluxe motorcoach, all gratuities and a hosted lunch.

All this for \$63.00 per person. These trips fill up fast so don't wait.

Due to the large interest in this trip, we are currently accepting reservations for a second bus for this trip. It will be scheduled for Tuesday, July 22.

Day Trips

A Taste of Many Treasures

Friday, April 4, 2008

Trip Activity rating-3

The Gardens at Heather Farm: A docent will lead a tour of this living museum, outdoor classroom, and public garden. This is a beautiful place for everyone to enjoy a broad range of plants situated in more than twenty demonstration gardens and learning sites. The gardens demonstrate low-maintenance, water conserving and environmentally friendly pest management methods, as well as stunning landscape techniques and designs, all with handicapped accessible pathways.

Hosted Lunch at Pyramid Brewing Company: The group will enjoy a family style meal including mixed green salad with cucumbers, diced tomatoes, green onions and croutons; mango glazed salmon with Alehouse rice pilaf and grilled honey cilantro chicken breast with wild rice pilaf, salsa fresca, and cilantro sour cream. Non-alcoholic beverage and a cookie for dessert are included with meal. (Vegetarian option available upon request.)

Blackhawk Museum: Established to ensure that significant automotive treasures blending art, technology, culture and history would be exhibited for public enjoyment and educational enrichment. A 70,000 square foot architectural masterpiece showcasing rolling sculptures in a unique "jewel box" setting which includes two 2,000 square foot galleries of traveling exhibits. A docent-led tour of this magnificent facility will include over 90 cars, many of which are on loan from museum friends from all over the world

Loard's Ice Cream & Candy: Introduced some 50 years ago when not much attention was paid to high-fat, low-fat and heaven forbid non-fat! People just knew they liked Loard's ice cream and how it tasted – rich and creamy! The truth is, then and now, Loard's ice cream is not a reduced fat menu item and they are proud of it. A no host stop will be made at Loard's in quaint downtown Pleasanton for those who would like to enjoy a premium ice cream treat!

Hikes

Año Nuevo State Reserve Hike

Scheduled for Friday, January 25, 2008

We'll start the new year with a return to one of our favorite places as we visit Año Nuevo State Reserve. Here we will be treated to a wildlife drama that attracts visitors from all over the world – a close-up look at the largest mainland population of elephant seals. Slaughtered for their oil-rich blubber, the elephant seal population numbered fewer than one hundred by the year 1900. Placed under government protection, the huge mammals rebounded rapidly from the brink of extinction. Año Nuevo State Reserve was created in 1958 to protect the seals. At this time of the year, the reserve is only open through naturalist-guided tours. The guided walk consists of a 2-1/2 hour, 3-mile long walk. We will have lunch in the park after the walk. We will be going rain or shine – as a matter of fact, the elephant seals are most active in bad weather! Just remember to dress appropriately. It can be very cold and windy. Wear layers!

As this article goes to print, it is too early for us to reserve spaces, so the date is tentative subject to our being able to reserve spaces. We are hoping to obtain 30 spots for this date and have two separate walks as the maximum per walk is 20. If you want to join us on this special occasion, you must reserve a spot in advance. To do this, give us a call or send e-mail. Reservations will be given on a first come, first serve basis. We will confirm your reservation and let you know the scheduled time for your walk. You can pay us on the hike day or mail your check for \$5 per person to the Fellers at 563 Bucher Avenue, Santa Clara 95051. Note that there is also a \$6 per vehicle fee for seniors in California State Parks, which you will pay once you get to the park.

Año Nuevo State Reserve is located midway between Half Moon Bay and Santa Cruz off Highway 1. It is about 22 miles north of Santa Cruz. Plan to arrive at 8:45 AM to allow time to get the group together. The park ranger advised that you should allow about an hour and 15 minutes to get from South San Jose to the park. Take Highway 17 south over the hill, and then go north on Highway 1 to the park. Once you pass the entrance kiosk, continue to the parking lot and we will meet in the visitor center.

When you contact us to make your reservation, we will give you further information about carpooling and timetables.

IBM Club Web Site for Retirees

In the past, in order to access the IBM Club web site, you had to be an IBM employee. Retirees could not access the site. Now IBM has made an IBM Club web site available for IBM retirees. It is a global web site containing information about IBM Clubs all over the world.

In order to access this web site, you must first register. Then you can subscribe to whatever IBM Club is closest to where you live or to multiple IBM Clubs. Our local club is the Silicon Valley IBM Club.

The address of the web site: www.ibm.com/ibm/ibmclub

Once you get there you will need to provide an e-mail address and provide a password in order to register. You must also specify which IBM Club you are interested in.

Swap'N'Shop

Do you remember the old Swap 'N' Shop board in the cafeteria? You could submit a 3x5 card and it would be posted describing the things you wanted to sell or buy. Well, it is now online. IBM employees and retirees can participate. On the first day, more than 100 items were posted and 10 times that number of employees browsed through the site.

Maybe I should put in some of the low scores too, so you'll know we all can't bowl this well. Why don't you come on down and watch us have fun since I am sure you would like it. We still could use some bowlers. We have had some that had to give up bowling for a while because they are sick or in some kind of pain. We miss them and are waiting for their return. But we could sure use you. Won't you give us a try?

Par Tee Golf

Coyote Creek-Tournament Course, November 5, 2007. This was our annual "Salami Shoot", and everybody wins! Each foursome received a "Salami" and four packages of "Italian Sausage." The "Boomerang-Shot-Of-The-Day" goes to Mel Rodinsky. On Hole #10 (a par four), Mel hit his tee shot to the left, where it landed on the cart path. Then it rolled backwards and stopped about 30 yards in front of his tee box. Mel still made par on this hole. (Note: Unlike the rule at Laguna Seca, Mel had to play this ball where it stopped---not where it entered onto the cart path.) The format of play was "Individual Play." We had a great turnout of 69 players. Here are the results:

Closest-To-Pin

Men

Joel Quiaoit 12' 4"	Peter Gunderson 6' 8"	Darrel Bellah 9' 0"	Rich Hiser 18' 4"

Steve Lewis 37' 10"	Paul Koch 7' 7"	Mel Rodinsky 12' 5"	

Ladies

Vicki Perez

There were eight bogey golfers, gross score of 90 or better (last year we only had two), and they are Kurt Aichele 84; Rich Hiser & Lou Tolbert 85; Darrel Bellah 86; Eric Schrader, 88; Mark Willhoft 89; and Peter Gunderson & Paul Koch 90. Congratulations to all the winners!
