## PRESIDENT'S CHAT

Dear Friends,

The nominating committee has two positions open for next year's Club officers. They are Club Secretary and Vice President. The board has also approved a proposal to change club membership requirements from 'IBM Retiree' to 'Individuals who have worked for IBM during their career and now consider themselves retired.' Hopefully someone may know of an individual who this change will affect and perhaps help fill the open positions. If so please call me: 1-(831) 338-3069.

The transition to online newsletters is moving well, although we still have a long way to go. "Thank You" to those members who responded to Ed Mueller's survey. Remember, the renewal code, L08 and V2008, after your name on the address label, indicates that Ed has logged your confirmation.

The Club's 22nd annual meeting is not too far away. Our guest speaker is Rod Diridon. He will be speaking on Public Transportation, an important topic in today's environment. It will be held October 28, 2008, at the Almaden Winery Community Center, 5730 Chambertin just off Blossom Hill Road. Please plan to attend.

Happy Labor Day  
Art Dill, Club President

## 2008 Bylaw Changes and Update

The Executive Board has approved the rewriting of Article 3 to change the bylaw on Membership. The following three changes have been incorporated into that section.

- All former IBM regular employees qualify to be Members in the Club.
- Associate Members can now hold any office except President or Vice President
- A widow or widower of a Member becomes an Associate Member and carries forward the membership status of the spouse.

These changes to the Bylaws will be voted on at the annual meeting in October. If you wish to review the current Constitution and Bylaws go to the club web site ([www.sjpc.org/sjrc](http://www.sjpc.org/sjrc)) and look for "Constitution and Bylaws."

## Adopt-A-Highway

August 14, 2008

Nineteen litter lifting athletes removed 35 bags of litter bringing our total to 2371 during the 7+ years we have been competing with litterbugs. Barbara and John Warner found a volunteer last month. Their neighbor Carol George was driving down 85 and saw them. Later she came to their garage and asked them what they were doing on the highway. They promptly recruited her and gave her safety orientation; she makes her debut at our September clean. Money found this month: \$1.21 in coins. Bob Ramirez told us Abe Lincoln wanted a hitch and then a second Abe Lincoln wanted a ride also. He was referring to the two five dollar bills he found which turned out to be counterfeit. The running ink on the damp bills was a dead give away. We turned them over to the bank. In order to comply with new Federal Highway Administration requirements, Caltrans is providing us with new Class II safety vests by November 24. When we finished we were rewarded with cool melon provided by Pat Motta.

# Travel Trips

## Truly Tulip Trip April 25 - May 4 2009 Wine! Cheese! Flowers! *Note New Itinerary!*

Due to changes in the river boat contracts, we have a new and exciting trip which will take us to see even more **tulips** because we will be exclusively on **Holland's** and **Belgium's** waterways. Board the ship in **Amsterdam** and make it your home while we see the city including Anne Frank's home and the art museums. We'll visit **Voldendam**, a quaint cheese-making town where time seems to have stopped. We cruise on to **Arnhem**, which played a major role in WW II. Many museums are available to us here. Our cruise continues to **Middelburg**, medieval city and the center of **Deltaworks**, which teaches about the deltas and dikes. We'll see **Ghent, Belgium**, an imperial city which conveys the splendor of by-gone days. **Bruges, Belgium**, one of our all-time favorite spots, is a wonderfully preserved medieval city. It is the center of lace making and has great chocolates!

Day 7 we are in **Antwerp** with its Gothic and Baroque architecture and busy cafes. It was the home of Peter Paul Rubens. Again, the chocolates are to die for!! Time here for shopping and exploring. In **Utrecht** we'll see the working windmills and learn at the UNESCO World Heritage Site the story of the battle with the sea. Then we visit the world-famous **Keukenhof Gardens** and 70 acres of flowers. We have secured the best-anticipated time for the peak of bloom. The price of **\$3,669** includes air, insurance, all meals, and local wines on this river boat of 80 cabins.

**Please join us for more information at Baker's Square, Almaden and Hwy. 85, Tuesday, October 7, 10:00 AM.**

## Once in a Decade Opportunity May 20 - 29, 2010 **Oberammergau**

The details of the **Imperial Cities Tour**, which includes the famous **Passion Play of Oberammergau**, have been re-leased. The trip date is listed above. The cost is **\$5329**, including air and insurance. We will tour **Budapest, Hungary**, enjoy a Hungarian horse show, visit a lovely wine town and enjoy a Renaissance-style dinner. Next stop is beautiful **Vienna, Austria**, where we tour the lovely city of Gothic spires, quiet parks and memorable music. The evening will be in Grinzing, enjoying the wine and music. The next day we will board a river boat for a tour of the Danube and return to Vienna through the Vienna Woods immortalized by Strauss. Our next stop is **Prague, Czech Republic**, the "Golden City." We will have a city tour and have free time to shop. Our last stop is the highlight of the trip, the **Passion Play**, one of the most powerful shows on earth.

We know that May, 2010, seems long way off, but as we get older it seems time goes faster and who knows who will be around the next time Oberammergau presents the "Passion Play"?

Interested? For a brochure, call George or Carole for a mailed brochure or e-mail them for a soft copy.

**An information meeting will be held at Baker's Square, Almaden and Hwy. 85, Tuesday, November 11, (was November 18)** Updated 2009-09-16

## Winter in Thailand November 5-18, 2008

Why shiver here when you can be in balmy Thailand seeing exotic locations, staying in great hotels and doing some bargain shopping for Christmas gifts, clothing, and jewelry?

Thailand (Siam) has fascinating scenery, a much different culture and many historic sites.

In Bangkok you can see the Grand Palace, the Emerald Buddha, gems and silk, ancient temples, the Floating Market, and much entertainment.

Ching Mai is a historic hill city with ethnic tribes and handicraft markets, plus natural habitat elephant shows. Many ancient wats/temples to tour.

Ching Rai, near the Golden Triangle of Thailand, Laos and Myanmar, has lovely scenery and we visit villages where both the long-necked and big-earring people live.

November has the mildest climate of the year and the local currency is pegged to the US dollar. A real travel bargain at \$2399, including travel insurance. Of course this trip, like all trips, is subject to airport taxes and extra fuel charges. For further information and a flyer on the trip, call or e-mail us.

## Hikes

### **San Francisco City Hike**

**Friday, September 12, 2008 10:00 AM,**  
**Sign-ups Requested**

For our annual walk in the City we have once again chosen a walk from the book "Stairway Walks in San Francisco." This time we will be following the route of walk #1, which encompasses Yerba Buena Cove (now the bustling Market Street area), Telegraph Hill, and Chinatown. The walk starts at First and Market Streets. We will trek through this busy area before heading uphill into quiet residential neighborhoods. Several stairways will lead us even higher until we are within sight of Coit Tower. We will climb more stairs to get to this San Francisco landmark. Along the way, we'll be treated to some spectacular views of the bay and city. Then we will walk a few blocks on Grant Street into the heart of Chinatown. Here is where we will break for lunch at (what else) a Chinese restaurant. After lunch we will head back to our starting point of First and Market. There are about 700 steps, up and down combined, on this walk.

We are offering a green option for this hike. You can take the baby bullet Caltrain from San Jose to the City, number 329 leaving Diridon Station at 8:03 AM, or Tamien at 7:56. The train arrives in San Francisco at 9:03 on 4<sup>th</sup> street. Walking from the train station to the start of the hike adds about another half hour (1.4 miles) to our walk each way. You can take your time getting to First and Market, stop for a coffee if you like. If you do not want to ride on the train, you'll be on your own for parking. There are several lots on 3<sup>rd</sup> Street near Harrison. We will meet beside the big sculpture at First and Market at 10:00 AM. If you'd like to join us for this walk, please call us or send an e-mail. We will be preparing handouts for everyone attending so that all participants understand the route.

### **Hike: Forest of Nisene Marks**

**Friday, October 24, 2008 9:30 AM**  
**(note earlier meeting time)**

This beautiful State Park, located near Aptos, is on land that was clear-cut during a forty year logging frenzy (1883-1923). When the loggers left Aptos Canyon, the forest began to heal itself. The Forest of Nisene Marks is a fine example of how a forest can regenerate. Our 6 mile loop hike will take us on the Loma Prieta Grade and Bridge Creek Trail. We will walk in a mostly shaded region of the park with lush green vegetation. The hike is somewhat strenuous with some steep hills and a couple of creek crossings – and there is abundant poison oak. Bring a snack to enjoy along the way as we won't be eating lunch until the end of the hike.

To get to the park, take Highway 17 south towards Santa Cruz. At the Highway 1 junction, go south. You will travel down Highway 1 to the State Park Drive exit. Go left towards Aptos, and turn right at Soquel Road. The entrance to the park is a left turn about a mile down Soquel Road on Aptos Creek Road. Look for the road just after you go through a railroad undercrossing. Once on Aptos Creek road, the park entrance (fee area) is about a mile down the road. Pay your fee and continue on the park road until you get to the Porter Family picnic area which is at the end of the dirt road.. This is the starting point for our hike.

People wanting to car pool, meet at the Camden Park & Ride (Camden & Hwy 85) at 8:30. Don't forget lunch and water.

## Par Tee Golf

- To see full report, go online and look for "Par Tee Golf"

**Poppy Hills, August 25, 2008:** This was our annual "Bob Slater Memorial Golf Tournament." Bob Slater was the person responsible for starting the Retirement Club golf tournaments. The "Shot-Of-The-Day" goes to Rich Greene. On Hole #14, a 380 yard par four, Rich hit his second shot into the cup for "Eagle." Phenomenal shot, Rich! It was decided by a unanimous vote to split the Bob Slater Retiree Club award instead of using a tie breaker. The format of play was, "Individual Play." We had a large turnout of 68 players. Here are the results: **Place / Score / Name**
